

# We awake your hidden beauty.

Esthetic salon  
with latest machine  
and treatment  
with love

3F inside  
Kobe Rokko Hot spring  
"Hamaizumi"

## WINBACK SPA PRISME

We put thought into our salon to express our desire to help bring out  
the original brightness hidden in you like "Prisme",  
a polyhedron that shines in beautiful seven colors  
in response to the light that shines in.

Shall we find your own color?

Experience the ultimate relaxation with the latest technology machine and original hand care treatment.

### Hand technic-high frequency machine - hybrid treatment!

It is a "complete free-hand and radio wave treatment"  
performed with bracelet type electrode. We can give  
unprecedented free radio wave treatment by combining the  
cultivated skills of experienced esthetician with the latest  
revolutionary technology.

- ◆High frequency heating machine suitable for medical and beauty field
- ◆Slimming / Improving skin quality
- ◆Promoting metabolic function / Relaxation
- ◆Athlete care / Immune function
- ◆Hormone secretion / Resolving facial adhesion
